Dear Parent Crew,

Happy Friday everyone! I hope you have had a great week.

I would like to make you aware of some work we have been doing as a staff to clarify our purpose as a school and revisit our school's mission and vision to ensure that it aligns with who we are and what we hope to accomplish. As a staff, we have worked through a process to determine and define our core values which our Family, Integrity, Love, Happiness, and Meaningful Work. Our current mission statement is the following, "A school community committed to supporting dynamic and relevant learning experiences for our 21st-century world." Our next step is to revisit this statement with our Building Leadership Team and our School Accountability Committee to evaluate how well this aligns with who we are and our direction with EL Education. My goal is to have this work completed by the spring and fully communicated out all of our stakeholders (parents, staff, and students). This work will help ground and guide our school level decisions and help define how we operate. As we move forward, you can expect to receive occasional updates on this work.

Also, I just want to say thank you all for your continued support of our school and our community. It was great to see third-grade families out at the Dance Performance. What a wonderful interactive performance. From all the smiles on their faces, I know they had a great time. And thank you for your donations to our "Warm and Fuzzy Drive." I know those donations will make a big difference for many families this holiday season.

Have a wonderful weekend!

Chris Stairs - Principal

NORTH CAMPUS

4th - 6th / Discovery/GT
6485 E Ponderosa Dr.
Parker CO 80138
Phone: 303-387-8275
